

## TIME TO POST FOR FALL CO-OP JOBS!

We are now posting engineering fall co-op jobs. The fall co-op term runs from Sept to Dec. **Engineering students from the following programs are available: Electrical, Mechanical and Architectural**

Need help for other areas of your business? Georgian students from over 48 other programs are also available for co-ops.

### What is in it for you?

- Avail of the \$3000 dollar provincial tax credit for each eligible student hired
- Meet labour needs with no long term commitment
- Give back to the community and help build the future talent pool

### POST NOW! 3 EASY WAYS:

1. Call Nick O'Connell at 705-728-1968 ext.5261 for all of your engineering jobs.

2. Upload your job online:  
<http://www.georgianc.on.ca/careers/for-employers/post-a-job/>

3. Email your job posting to [noconnell@georgianc.on.ca](mailto:noconnell@georgianc.on.ca)

**The government helps cover your costs with up to a \$3000.00 tax credit per student per work term!**
