

Presents the “HIRE A STUDENT” campaign

Georgian College and the Barrie Construction Association have partnered to bring you access to the current and skilled engineering & technical labour you need to meet both short and long-term business needs cost-effectively. To launch this partnership, BCA has set an ambitious goal of **“100” student co-op hires** to be achieved amongst its’ members between now and September.

Thanks to BCA members, like Bertram Construction, Bradanick Construction Services Inc., Comfort Inn, Peto MacCallum, Setpoint Automation, Terraprobe, Wallwin Electric and many others we are already off to a roaring start with 23 hires so far! *That only leaves 77 more to go!*

What’s in it for you?

- **Financial Assistance** — for each student you hire per term you can take advantage of financial incentives such as the \$3000.00 co-op tax credit and summer job subsidy programs to help you cover your costs.
- **Meet labour needs with no long-term commitments**
- **Give back to the community and help build your future talent pool**
- **Reduce recruitment costs in the future.**
- **Access a wide array of talent... all year round!** - Georgian has 48 programs you can draw from. Skilled students are available in Civil, Environmental, Architectural and Electrical Engineering, as well as business programs. Access full program descriptions by visiting: <http://www.georgianc.on.ca/academics/programs/index.php?catid=8#8>
- **Exposure:** the company who hires the most students this year will receive a full page profile in the **GTA Construction Report!**

**STUDENTS ARE LOOKING FOR WINTER TERM (JAN– MAY) OPPORTUNITIES NOW!
SUMMER JOB POSTINGS START IN JANUARY FOR APRIL-SEPT TERMS.**

POST NOW! 3 EASY WAYS:

1.  Call Debbie Imboden at 705-728-1968 ext.5261 with all your job postings today!
2.  Upload your job online:
<http://www.georgianc.on.ca/careers/for-employers/post-a-job/>
3.  Email your job postings to: dimboden@georgianc.on.ca
